1. The following movements of goods, troops and vehicles in Bulgaria have been reported:
 - a. Thirty flatcars loaded with empty trucks from Rumania passed through Dobrich during the second week of June 1950.
 - b. Twenty-five tank cars from Rumania passed through Dobrich during the third week of June 1950.
 - c. Since 5 July 1950 there has been an increase in the number of freight trains with closed cars on the route through Dobrich.
 - d. During June and July "many" military trains passed through Gorna Orehovitsa travelling in the direction of Sofia.
 - e. During May and early June the ferry at Ruse made three trips a night carrying war materiel. During the day Russian trucks were brought over from the Rumanian side on a number of occasions. They were Molotov trucks, the Russian imitation of the Studebaker.
 - f. During June and July "many" trucks were delivered at Samovit. Some were Czech and some of Russian manufacture. They all came from the Rumanian shore.
 - g. On 10 June a Russian ship unloaded rifles, machine guns and ammunition from 0600 hours until late in the night.
 - h. Approximately 20 tanks with Russian crews arrived in Plovdiv around 20 June.
 - i. In mid-June several large barges loaded with Russian troops in Mufti were moored at Vidin for two days and subsequently proceeded up the Danube and disembarked at Novo Selo.
 - j. In mid-June several trains loaded with troops and artillery on flatcars passed through Bela proceeding in the direction of Ruse.
 - k. In early June, six tanks and eight heavy guns, tractor-drawn, arrived at Tatar Pazardzhik from Peshtera. They then proceeded in a southerly direction.
